

West Lakes Shore School Out of School Hours Care Newsletter – Term 3, 2018

IMPORTANT INFORMATION

Please keep our driveway clear at all times to ensure access for emergency service vehicles such as an ambulance. If you cannot come into the centre to collect and sign your child out (i.e. due to a disability), please call 82423141 and we will escort your child to the car park.

Our staff are available to discuss your child's needs or requirements; however the supervision and safety of children are our priority. From 3pm to 3.50pm we are very busy and we would appreciate your cooperation (unless urgent) to discuss any matters outside of this time frame.

Please check our new monitor for messages, information and learning stories located above the sign in/out desk.

School Closure on Friday the 31st of August and Pupil Free Day Monday the 3rd of September: OSHC will be open from 7am till 6pm. To ensure correct child/staff ratio bookings are essential. Phone 82423141 or email wlssohc@adam.com.au.

RESPONSIBILITY AND LOST PROPERTY

We encourage children to be responsible for taking care of their belongings such as clothes, books, etc, OSHC Educators are not expected to be responsible or search for children's items, their priority is the supervision of children for their safety and wellbeing, and to support children to complete tasks.

We have numerous unnamed drink bottles and clothing that has been left at OSHC. They will be on the outdoor table for collection or taken to lost property at school. At the end of term uncollected items may be donated to charity.

TERM THREE CURRICULUM

Children have chosen the curriculum topic "plate to table". We will re plant our vegetable garden, and harvest the produce which will either be prepared for afternoon tea or used in cooking activities. This may include foods from different countries and cultures. We will investigate the effects insecticides and pollution have on food sources such as the ocean, farming, crops and livestock.

TERM TWO CURRICULUM

Children enjoyed exploring mystical creatures in Asia, Europe, Japan, Fairies in Europe, Monsters all over the world, Unicorns in ancient Middle East & Greece, Mystical creatures of Ireland & Great Britain, Mermaids near east Asia, Europe and Africa, Mystical creatures of mythology, and mystical creatures of fairy tales. We discussed folklore, made dragons, origami creatures, fairy wands, wings and dress up's, read stories, made unicorns and much more.

WELCOME

Jo, Tamara and Jess our new Educators who help out at OSHC when our regular staff are away.

Dogs are NOT permitted on the school oval at all times; this is a health and safety issue.
